EA change in membership structure

Helen Zimic re above changes

Helen Zimic request for dates for next year

Request from EA to consider running RDA classes at comps

Correspondence out: reply to enquiry re playdays

Treasurers report: Presented by Liz, same attached

General Business:

- June 2nd competition: 3 arenas, Muriel to ride and judge, Kerry to order more ribbons, all else on track
- New arenas: have looked at flyer for new style arenas. They look easier to store and set up. Sheila to investigate. May be cheaper to get 3 rather than 1 at a time. Sheila to report back.
- Lessons with Muriel Plater. Liz has suggested lessons at her place, easier for all to get there on days not already playdays at showground so riders can get some consistency with lessons. Proposed every 2-3 weeks, depending on what Muriel can manage and what riders can manage. Liz to organise with Muriel. All riders must be members of BDC and a club fee of \$5.00 paid on top of lesson fee. Cost of lessons to be worked out with Muriel and Liz
- RDA classes at comps. Wait till new membership structure settles in, questions about what classes we can run at associate days with new structure still to be sorted.

- 1st Aid classes. Kerry is working out numbers and dates with local instructor. Currently club will pay for Liz, Jo, Sheila, Jennifer, Kerry to do 1st Aid course. Looking at a Friday morning so Jenn can go to work in arvo. Have enquired if Show Soc have need of course, no-one needing it at the moment
- Dates for next year not discussed, hold over till next meeting at playday 13th July 2013 (date changed at Kerry's request)

No further business, meeting closed 1.45pm
