- Play days: all in agreement re speaking to Alex Pope to support SJ but will not run it. Let her know some members are interested and inform her of play day rules eg. everyone must be a member; all riders to assist to set up and take down equipment; EA accredited coaches only. Kerry has spoken to Pony Club and Show Society and both are happy for us to use their jumps. Also let Alex know that Pony Club uses the ground on 2<sup>nd</sup> and 4<sup>th</sup> Sundays of the month and any proposed play days must still go thru the committee for dates and insurance purposes.

- Discussion re rolkurl rules for warmup, no horse to be warmed up for more than 1 hour; horse not to be kept in one head position for more than 10 minutes; club responsibility to monitor warmup arena and enforce new rules; suggestion that Merryl, Tracey J, Jo Jokinen and Michelle be asked to monitor warmup area while Sheila does gear check.
